KNOX COLLEGE STUDENT ACCIDENT INSURANCE POLICY
2024-2025 School Term 'INFORMATIONAL I.D. CARD'

All Knox College full time, degree-seeking students are automatically enrolled in an accident insurance policy that provides specified medical benefits in the event a Knox College full time student is accidentally injured either on or off campus. The accident insurance policy covers specified medical expenses due to a covered accident with no deductible. No policy benefits are available to pay for medical tests or care due to any sickness or illness or any pre-existing conditions. The accident policy benefits are subject to limitations and exclusions and may not pay for 100% of all medical expenses incurred. Students are responsible for paying medical expenses not covered by the Knox College accident insurance policy.

The "Information Card" is for informational purposes only. The card does not guarantee policy benefits will be paid. Specific policy terms and provisions apply. The policy effective date is August 11, 2024. The policy termination date is August 11, 2025.

To view a summary of the accident insurance policy benefits, terms and limitations, go to www.knoxstudentinsurance.com

Eligible students should cut out and carry this 'Informational I.D. Card to refer to in the event of accident injury requiring medical treatment. The card can be presented to doctors and hospitals when treatment is required. **Please cut your insurance card out and retain for your records.**
